I am OUTRAGED at the thought that AK government would take a plan which has been agreed upon and Passed into LAW and change it for personal reasons. I hope you will continue to support funding for upkeep of our existing needs-existing road work as well as existing ferry maintenance. On top of that we in SE need money to fix flood damaged roads here. Most of Haines, Skagway and Juneau residents have been screaming No Road to Juneau. Please Listen to the people you are elected to serve!

Thank You
Alexandra Feit, Haines, AK
